

## About the Yamaha Music School

Over 6,000,000 students around the world have studied at Yamaha Music Schools. Based on 50 years of experience, the Yamaha curriculum is:

### Fun

People in 40 countries around the world enjoy their lessons at Yamaha Music School! Based on cutting edge know how, Yamaha's curriculum introduces people age 3 to 99 to music in group lessons with their friends, where through age appropriate activities, images, songs and experiences they develop a love of music. Inspiring private lessons are also an important part of Yamaha's curriculum.

### High Quality

Yamaha Music School graduates include millions of music makers, teachers, performers, and professionals world wide. The approach and the student textbooks and materials are widely regarded by educators as the best available.

### Comprehensive

Yamaha's method cultivates musical ability, creativity, and a love of music. Students learn to hear, play, read, understand, and appreciate every aspect of music. As they advance, children study performance, improvisation and composition. For adults, the Yamaha method offers a relaxing, non-threatening environment enabling them to realize their life long dream of learning to play the piano.

### Beneficial

Research has shown time and again that intellectual, emotional, and physical development is positively and deeply impacted by music study. Yamaha Music School encourages the development of a healthy mind, body and spirit.
